To help Homeless animals

1.

Have a donation drive at work or school. Towels, blankets, treats, money and toys are always needed! Check out our Wish List!

2.

Have a bake sale, car (or dog) wash, or lemonade stand to raise money for the center.

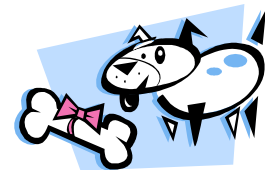

3.

Create a newsletter about the animal events coming up and animals available for adoption and give it out to the community!

4.

Make cat nip pillows for the kitties or fill paper towel rolls with treats for the pups! Homemade dog and cat treats are always a hit too!

5.

Spread the word and make information guides on spay & neuter, animal cruelty, breed discrimination, animal safety or proper animal care to give out to peers.
